Environmental Sciences, Policy and Management (ESPM)
CONTRACT

ESPM students in CRM, CEM, ES or PPLS tracks must complete a contract in consultation with their faculty advisor before they complete the contract courses in the ESPM curriculum guide. The contract is designed to: (1) Encourage early course planning; (2) Encourage early contact with faculty advisors; and (3) Help students define career goals.

Student Name _____ Student ID# _____

Faculty Advisor Name_____

Faculty Advisor Signature _____ Date _____

Have you filed for graduation? _____ Which semester/year? _____

Check the track you are enrolled in within ESPM:

	Track	**Number of credits required**
_____	Conservation and Resource Management	36
_____	Corporate Environmental Management	13
_____	Environmental Education and Communication	none required
_____	Environmental Science	15 - 21
_____	Policy, Planning, Law and Society	12

Courses taken to fulfill core requirements may not also be used to fulfill contract requirements. Courses must be at least 3xxx-level courses unless otherwise specified on the list of possible contract courses. List all selected courses below, and indicate in which semester and year you plan to take each course. If you choose to change the list of courses on your contract, you must submit a new or amended contract signed by your faculty adviser. If original contract is amended, each change must be initialed and dated by your faculty advisor.

THIS IS REQUIRED INFORMATION – PLEASE CHECK FOR ACCURACY

COURSE DESIGNATOR/NUMBER	*COURSE TITLE*	*CREDITS*	*INTENDED SEMESTER/YEAR*

This contract is required for graduation clearance and will be incorporated into your APAS Report. **Return this completed form to the Student Services Office, located in 190 Coffey Hall.**
