

**Environmental Sciences, Policy and Management (ESPM)
CONTRACT**

ESPM students in CRM, ES or PPLS tracks must complete a contract in consultation with their faculty advisor before they complete the contract courses in the ESPM curriculum guide. The contract is designed to: (1) Encourage early course planning; (2) Encourage early contact with faculty advisors; and (3) Help students define career goals.

Student Name _____
Email _____ Student ID# _____
Faculty Mentor Name _____ Faculty Mentor Signature _____
Date _____ Have you filed for graduation? _____ If so, which semester/year? _____

Check the track you are enrolled in within ESPM:

<u>Track</u>	<u>Number of credits required</u>
_____ Conservation and Resource Management.....	23 (fall 2018 or later), 32 (prior to fall 2018)
_____ Environmental Education and Communication.....	none required
_____ Environmental Science.....	9 (fall 2013 or later)
_____ Policy, Planning, Law and Society.....	12

Courses taken to fulfill core requirements may not also be used to fulfill contract requirements. Courses must be at least 3xxx-level courses unless otherwise specified on the list of possible contract courses. List all selected courses below, and indicate in which semester and year you plan to take each course. If you choose to change the list of courses on your contract, you must submit a new or amended contract signed by your faculty mentor. If original contract is amended, each change must be initialed and dated by your faculty mentor.

THIS IS REQUIRED INFORMATION – PLEASE CHECK FOR ACCURACY

<i>COURSE DESIGNATOR/NUMBER</i>	<i>COURSE TITLE</i>	<i>CREDITS</i>	<i>INTENDED SEMESTER/YEAR</i>

This contract is required for graduation clearance and will be incorporated into your APAS Report. **Return this completed form to the CFANS Advising Center, located in 130 Coffey Hall.**
